Japanese cane syrup; 1 qt. blue cane syrup; 1 qt. green cane syrup; 1 qt. ribbon cane syrup; 1 pt. wild honey; collection of mixed peppers; silk bed spread.

Eighty-four different articles.

Capt. and Mrs. Pyles are farmers—in all that the term implies—and are setting an example that must result in benefit to the whole state.

Marion county is very proud of these worthy people.

Good Spirits

Good spirits don't all come from Kentucky. The main source is the liver, and the finest spirits ever made in the Blue Grass state could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in a fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower, the greatest of all medicines for the liver and stomach and certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. For sale at Anti-Monopoly Drug Store.

Walter Hawkins in a New Business.

Mr. Walter Hawkins, of Jacksonville, who is well known here, having been a resident of Ocala for a number of years, has been appointed general agent for the Consolidated Fruit Co., the new east coast concern recently organized in Jacksonville.

Mr. Hawkins will enter upon the duties of his new position as soon as he can sever his connection with the Central of Georgia railway, which will perhaps be not later than the 15. His headquarters will be in Jacksonville.

The appointment of Mr. Hawkins to this important position will give pleasure to his many friends throughout the state.

FOLEY'S HONEY AND TAR
stop the cough and heal the lungs

HISTORY OF FLORIDA.

Soon to Be Published as Written by
Henry Elliot

The department of agriculture at Tallahassee will shortly issue a descriptive pamphlet known as "A History of Florida." An appropriation was made by the legislature of 1901 for the purpose of enabling this department to issue a handbook of the state, setting forth her resources and advantages of all sections of the state and it is intended for distribution at points from which desirable settlers may be attracted. This book, which was compiled by Mr. Henry Elliot, of the department of agriculture, is an exhaustive treatise, sets out in a very clear manner the state's resources, and contains much valuable and interesting information.

The initial chapters are devoted to the historical phases and cover the periods from the discovery and settlement down to the present day. These chapters are particularly interesting. Topography, climate and soil are each given a chapter and every industry is taken up with valuable statistics never before presented in such available form. A careful perusal of this work will open one's eye to the wonderful resources of Florida and her marvelous progress, and development in the last ten years. No state in the south can show a proportionately greater growth and development, and surely no state can offer more varied attractions to settlers. Persons who have given no thought or study to the matter have no idea of the enormous volume of business done in the state or its rapid increase.

The history will be a work of great interest and its publication will do much to make Florida's attractions and development more widely realized.—Miami News.

The next visit of Dr. R. T. Ailer, the eye and ear specialist will be Thursday, Dec. 15, at the Montezuma Hotel. Glasses correctly fitted.

Stubborn Coughs and Colds CURED BY FOLEY'S HONEY AND TAR

Obstinate, racking Coughs that make your head ache, your throat and lungs sore and inflamed, that rob you of sleep until your system becomes so run down that you are in grave danger of Pneumonia or Consumption, are quickly cured by **Foley's Honey and Tar.**

FOLEY'S HONEY AND TAR

soothes and heals the inflamed air passages, allays the feverish conditions, stops the cough and prevents serious results from a cold.

FOLEY'S HONEY AND TAR

is the only prominent cough medicine on the market that does not contain opiates or harmful drugs of any kind and on this account is safest for children.

It is unexcelled for Croup and Whooping Cough and will quickly cure the racking cough which follows measles and leaves so many children with weak lungs unless properly treated.

Remember the name — **Foley's Honey and Tar**—and refuse substitutes that cost you the same as the genuine. Do not take chances with some unknown preparation.

Consumption Threatened.

C. Unger, 211 Maple St., Champaign, Ill., writes: "I was troubled with a hacking cough for a year and I thought I had consumption. I tried a great many remedies and I was under the care of physicians for several months. I used one bottle of Foley's Honey and Tar; it cured me, and I have not been troubled since."

Three sizes—25c, 50c, \$1.00.
The 50 cent size contains two and one-half times as much as the small size and the \$1.00 bottle almost six times as much.

Roosevelt's majority in New Jersey was 80,508, yet the democratic managers claimed the state by 20,000.

The Atlanta chamber of commerce has invited President Roosevelt to visit Atlanta next May.

In its enumeration of its big men the Brooksville Argus leaves out the chief stone in the edifice—Judge J. B. Wall.

The time of some business men must be valuable. Occasionally one may be seen chasing around town for half a day getting bids on about two dollars worth of job printing. Ye gods and little fishes, too!

INHERITED SCROFULA

When a child I had a very severe attack of Diphtheria, which came near proving fatal. Upon recovery the glands of the neck were very much enlarged, and after the free use of iodine, the right one was reduced to its normal size, but the left one continued to grow—very slowly at first, until it was about the size of a goose egg, which began to press on the windpipe, causing difficult breathing, and became very painful. An incision was made and a large quantity of pus discharged. The gland was removed, or as much as could with safety be taken out. For ten years I wore a little piece of cloth about an inch long in my neck to keep the place open. During this time I had to have it cut open by the doctor every time I took cold or the opening clogged. In the Spring or early Summer of 1884 I was persuaded by my wife to use S. S. S., which I did, strictly in accordance with directions. I took twenty-six large bottles, and was entirely cured, for I have not suffered since that time.

Only a constitutional remedy can reach an hereditary disease like Scrofula. When the blood is restored to a normal condition and the scrofulous deposits are carried off there is a gradual return to health. S. S. S. is well known as a blood purifier and tonic. It is the only guaranteed, strictly vegetable remedy sold. If you have any signs of Scrofula, write us and our physicians will advise you free.
